I thought I would go to this, but I won't go without Herb; we do just about everything together. I know that is not true of most couples, but it is with us. Read the e-mail attached to this one.

Give me a call when you can about Santa. We are all busy with different aspects, but I need to discuss one aspect with you because it involves the Clintons. Call on [REDACTED]

Best,
Geri

Hi Geri

Unfortunately space is limited at this event and your invitation to an Evening at MoMA only extends to yourself.

We look forward to seeing you next week.

Regards

Emma
